Kosair Charities 1000 Club

CARING FOR CHILDREN,
YEAR AFTER YEAR

1000
KOSAIR CHARITIES
CLUB

A child facing a lifelong medical condition grows to expect regular doctor visits, long-term therapy and a family pressured by medical costs. Although Kosair Charities is often able to help children whose families are unable to pay for a one-time surgery or procedure, members of the Kosair Charities 1000 Club recognize that treating children sometimes requires a multi-year commitment.

Contributions to Kosair Charities ensure the health and happiness of Kosair Kids. Annual donations to the charity – regardless of the amount – secure funding for programs such as the Kosair Charities Special Kids program, which aims to meet a child’s costly medical needs with financial assistance beyond insurance coverage.

Donors who have pledged to provide Kosair Charities a minimum of \$100 each year for 10 years are recognized as members of the 1000 Club.

As members of the 1000 Club, you’ll receive special recognition items to show Kosair Charities’ appreciation for your progress and commitment based on the following membership levels:

- \$100 – Bronze Level
- \$300 – Silver Level
- \$600 – Gold Level
- \$1,000 – Platinum Level

A child’s need is ongoing. As is the mission to help children whose families cannot afford proper medical care.

1000 Club members have helped Kosair Kid Kamauri Harris

At one year old, Kamauri Harris received help from Kosair Charities when he needed a special molding helmet to correct a problem resulting in plagiocephaly (a flattening of one side of the head) caused by torticollis, a condition in which the head is tilted toward one side and the chin to another.

While Kamauri’s mother, Jamie Stagle, began to notice the problem within the first three months, it took several more months to get into a specialist and receive a proper diagnosis and treatment options. Unfortunately, the family’s insurance company denied payment for a corrective molding helmet because Kamauri was past the age of coverage for that treatment.

As with thousands of other Kosair Kids, Kosair Charities provided financial assistance for the molding helmet, ensuring Kamauri’s medical needs were met.

“Because of Kosair Charities, my son’s life has changed,” said Stagle. “We appreciate your kindness and thank you from the bottom of our hearts.”
