

Kosair Kids Financial Assistance Program

The **Kosair Kids® Financial Assistance Program** provides direct financial aid to families in Kentucky and Southern Indiana. The program is designed to help with medical bills of children 17 and under or still attending high school, whose families cannot afford to pay. Each application receives a full committee review to determine how best Kosair Charities can aid the family.

Apply online: kosair.org/financial-assistance-program

Fast Facts:

- Bills in collection and routine medical procedures are not eligible for consideration
- The child(ren)'s parent or guardian must have insurance to apply for assistance.
- There is no financial restriction for assistance; every application is looked at individually by a committee to determine need.
- Examples of provided assistance include (but not limited to):
 - auditory evaluations and hearing aids.
 - physical, occupational, and speech therapies.
 - medical equipment such as wheelchairs, power chairs, and custom bicycles & tricycles.
 - medical bills relating to non-routine medical and dental procedures.
